KING'S COLLEGE SCHOOL

Middle School

Wednesday 25th April 2012

Dear Parents,

I hope you all enjoyed the Easter holiday period and are now back into the daily routines that term time brings.

I am writing to inform you that I have organised a trip for all Year 5 pupils to participate in the 'Safety Zone' following the positive experience pupils gained last year.

The 'Safety Zone' is an afternoon event run by different agencies from public utilities to emergency services. The children work in small groups and are given safety talks, followed by scenarios to improve their awareness of possible dangers and what to do in the event of an emergency.

The Year 5 Tutors will be accompanying the trip which is held at St.Neots Fire Station, Huntingdon Street, St.Neots, on Monday 21st May. The children will then work in small groups, visiting a number of different organisations' stands. We shall be departing school at 11:30 and returning at 3:45. Packed lunches will be provided by the school. There will be a small fee of £6.00 to cover the cost of transport to and from St.Neots. This will be added to your bill at the end of Term.

It is expected that children will attend and permission is therefore not required. However, if there is any reason that your child will not be able to come or for more information please can you contact me as soon as possible, dthorpe@kcs.cambs.sch.uk .

Yours sincerely,

David Thorpe,
Head of Middle School.
