

## **NAMING OF GAMES CLOTHING**

To avoid items of games kit going astray and being mistakenly worn or taken home by children, it would assist staff if clothing is named on the outside so that it will be identifiable if not being worn by its owner.

**Please obtain Cash's name tape in Style 17: black lettering on white background. Initial and surname only in capital letters. Order forms are available from the PTA school shop or order direct through Cash's but please quote 75062V8. The PTA will then receive 10% cash back from your order.**
